Sub. : Performance of EICHER 11.10 vehicle.

Dear Sir,

As per above subject we have added Eicher E-2, 11.10 vehicle to our fleet of 15 vehicle for cargo application. We are very much satisfied about the vehicle performance in fuel average which is giving 0.5 KMPL more fuel mileage than any competitive vehicles.

Driver comfort, maintenance cost, and good service and high Pick up and support by the TAMBI MOTORS (dealer) is also good and Eicher cash less insurance policy has been very good for us.

In future we wish to add some more vehicles to our fleet.

Thanking You,

With regards
