Dear Sir,

We have purchased an Eicher 10.90K CNG Bus bearing chassis no. 17KF 4E 105739 from M/s. V.G. Automobiles, Baroda in Jan. 2006. We are using this CNG bus for our staff purpose.

I am extremely satisfied with the service backup and performance of this CNG bus in terms of very good mileage, good pick up/accelerating, better tyre & clutch life and very low maintenance cost.

We wish the very best to Eicher Motors Ltd.

Thanking You,

Yours Faithfully

H.B. Sethi
