Subject: Performance of Eicher E2 Plus 11.10 H HSD

Dear Sir,

We are one of the large fleet owner at Bhilwara having fleet size of 48 nos vehicles. We have TML 1613 - 30 nos, TML 1109 - 8 nos & Eicher 11.10 - 8 nos. We use all these vehicles for transportation of Textile from Bhilwara to Gwalior & raw material for Textile from Gwalior to Bhilwara.

We had purchased our first two E2 Plus 11.10 HD in June 2009, both vehicles have covered more than 60,000 Kms. We are feeling proud in informing your that the performance of Eicher Vehicles had been excellent so far in terms of fuel average & pulling.

Our vehicles makes approx 12 trips monthly & we save approx 40Lts. diesel in each trip in similar conditions with TML 1109.

We are extremely satisfied from the services rendered to us by Mumal Motors.

I always recommend E2 Plus 11.10 vehicles to my other friends & colleagues. I wish for grand success of Eicher E2 Pus 11.10.

Thanking you,

Dated : 18.01.2010
