Sub. : Performance of EICHER 30.25 vehicle.

Dear Sir,

As per above cited subject. We have added 30.25 Eicher vehicle to our fleet of 125 vehicles for tanker application. We are very much satisfied about the vehicle performance in Fuel average which is giving 7-10% more fuel average than TATA and Ashok Leyland vehicles.

Driver comfort, maintenance cost and good service support by the dealers is also good.

In future we wish to add some more vehicles to our fleet.

Thanking You,

For Ritu Goods Carrier.
