Dear Sir,

I have purchased an Eicher Terra-16 Tipper (HR-37B-8718) from Swami Auto Care Pvt. Ltd., Chandigarh and it is being operated at Stone Crusher Plant. My vehicle is carrying 18 ton load and it is giving very good mileage. As far as overall performance is concerned I am very much happy and services provided by Swami Auto Care. I wish to buy one more Terra-16 in near future.

Thanking You,

Your faithfully.

Jai Prakash
