Dear Sir

I am Proud to be the first owner of the **EICHER TERRA- 16** vehicles in MUMBAI. The overall Performance of the vehicles is good in the aspects of pick up, load carrying capacity and high speed.

We have been getting 5 kmpl and above with one side load & one side empty operation in WADA to MUMBAI City routes. Impressed with the performance of Eicher Terra-16 we have added 7 Terra -16 vehicles to our fleet.

We are also getting prompt and timely service back up from Eicher Dealers.

WISHING YOU VERY GOOD LUCK!!!

Thanking you,

For Vijay Stone,
Partner.
